We are extremely excited to be offering our Lil' Lester's program again this year, 2019 marks our ninth year with our program! Our Lil' Lester's program is exclusive to our one and only farm on Brookfield Road. All of our staff strive to make this program a fun farming experience for each child and family involved. If there is ever a time when your child cannot make your selected time slot, please let us know so that we can try to move you to another group for the day that you will miss.

Through our Lil' Lester's Club we hope to encourage children to more aware of where their food comes from, to be more aware of the farming lifestyle in general and to learn the basics of farming hands on. If you have any questions or concerns, please feel free to contact us by phone (747-3276), or email (lestersfarmmarket@hotmail.com).

Hope to see you soon!
